

19 January 2022

FC Jr Update - Last Call for videos

All:

We have come to the end of all your months of hard work on the Future City Junior Competition – I hope it has been a rewarding experience for you. I know we started this year with a lot of hope for normality, and that the last couple of months have been very frustrating. However, we're up against a deadline.

LAST CALL FOR (due Friday, 21 January):

1. Model Videos –post video to a publicly available platform and give us the URL
2. Expense Forms –upload forms and receipts
3. NOTE: Honor Statements and Media Waivers – not required

Upload your submissions to Junior Team Center

http://www.dfwfuturecity.org/team_junior.html.

While 21 January is the last day to submit these files for judging, we can be a little flexible if you are dealing with quarantine this week. Contact me if you need a day or two, however, NLT Monday, 24 January (we need time for judging).

We will be announcing the award winners on 29 January –details to follow. Thank you all for participating.

Jean Eason
